

*“And God spoke
all these words
saying;*

**“I am the Lord
Your God,
You shall have
no other gods
before Me”**

I remember how merciful
God was to the U. S. A.. When
most of the people in the
U. S. A. loved the Lord and
remembered the Sabbath day to
keep it holy, Because God was
keeping the promise he made in
Exodus 31 : 13

Surely My Sabbaths you
shall keep, for it is a sign
between Me and you throughout
your generations, that you may
know that I am the Lord who
sanctifies you.

“For I the Lord your God
am a jealous God,
visiting the iniquity of the
fathers upon the children
to the third and fourth
generation of
those who hate Me”

“But
showing mercy to thousands
of those who love Me and
keep My commandments”
And
“remember the Sabbath day
to keep it holy.”

hope will cause the re-reformation
of God's Church in the U. S. A.

It is a shame that our nation, that began as a Christian nation, has come under the control of those who deny the existence of the Creator, and have the goal of eliminating all references of the Creator from society.

It is my belief that the cause of our countries greatness was because so many people believed and lived according to the Reformed Faith, that was rediscovered during the Protestant Reformation of the 16th century. I believe that the Reformed Faith that is taught in the Heidelberg Catechism, the Belgic Confession, and the Canons of Dort, and the Westminster Larger and Shorter Catechisms, and the Westminster Confession of Faith, is as close as possible to what Jesus wants His disciples to be taught.

Gradually over the passed 100 years, humanism has become so predominant, in our nation that, I believe even churches that try to teach the Reformed Faith, find it difficult to get their members to really believe and live like, Reformed people should live.

I believe God has brought the sermons that Rev. G. I. Williamson has on sermonaudio.com, to my attention. Rev. G. I. Williamson is 95 years old and lives in a retirement home, in Sheldon, Iowa. I have received written permission to use his sermons on my blog, thelordsdayblog.org. His daughter Kathy, told me no one else is doing anything with his sermons.

I believe that if todays Reformed people are given the opportunity to listen to Rev. Williamson's sermons, they will learn to love the Reformed Faith, like those who lived 100 years ago.

I believe that if Reformed people lived the Reformed Faith, it could cause unbelievers to take notice, and turn to the faith.

Rev. G. I. Williamson has 1385 sermons on sermonaudio.com. I believe these sermons contain all the answers any one could need in explaining the Reformed Faith.

That is why, I am asking you to please sign up to receive the <thelordsdayblog.org> weekly newsletter, that each week at 2:00 P. M. Central Standard Time, on each Lord's Day to receive the sermons that I hope will bring about the re-reformation of God's Church in the U. S. A.
