181 God Our Deliverer

PSALM 68 L. M. WARE George Kingsley

[Stanzas 13–16]

God Our Deliverer

1 [illegible] unrelenting enemies
[illegible] shall find in earth or seas;
His people shall triumphant go
Victorious over every foe.

3 With glorious pomp our King and God
Has entered into His abode,
With sacred minstrelsy and song,
While maidens with their timbrels throng.

4 Assemble ye before His face,
All ye that spring from Israel's race;
Ye chosen tribes, with one accord
Come ye, and bless your God, the Lord.
